Introducing Evening Mixers in 2010

Want another opportunity to make new business contacts? Join us for an Evening Mixer, January 27 from 5 to 7 p.m. at St. Louis Sports Zone in Kenrick Plaza. Bring your friends and workmates to meet and mingle with other business professionals. There is no cover charge and everyone is welcome.

Evening Mixers will be held the last Wednesday of January, April, July and October at various Chamber bars/restaurants. Each quarter we will highlight a local non-profit and their employees and Nurses for Newborns will be the first one on hand for 2010 to meet you and accept donations. Donation items may include but are not limited to: bibs, diapers, baby formula, pacifiers, clothes, or anything an infant or young child may need.
